

REUTERS-TIMA LOCATION SERVICES BREAKING NEWS FACILITIES

FOCUS ON THE STORY: INDUSTRY LEADING LOCATION SERVICES AND SUPERIOR SUPPORT

Be the first to report on the scene of the world's major breaking news stories.

From the Paris shootings to the Philippines' typhoon: Reuters-TIMA's invaluable local knowledge, together with strategically-placed broadcast and satellite resources in regional hubs, enables rapid deployment to the scene of breaking stories, whenever and wherever they occur.

- **Broadcast quickly on location when news breaks**
Crews and flyaway/truck mounted satellite uplink dishes situated on every continent, together with access to a comprehensive satellite and fiber network allows you to broadcast live from anywhere in the world.
- **Concentrate on the story, not the logistics**
Live positions, logistical & editorial support, satellite & internet connectivity, and access to Reuters content* on the ground: everything you need to deliver high quality coverage that stands out from the competition.
- **Reduced cost, improved reporting**
Report on location without the cost and hassle of sending large crews and kit across borders.
- **Local and technical expertise**
Benefit from Reuters-TIMA's highly experienced field producers and broadcast engineers for local knowledge and technical expertise.

**for Reuters subscribers only*

REUTERS-TIMA LOCATION SERVICES

provide everything needed to report and broadcast live from key news events and from the scene of major breaking news.

Elections to summits, sports to natural disasters; the unrivalled editorial infrastructure of Reuters, combined with the technical expertise of TIMA, offers a highly skilled team of camera operators, producers, engineers and editorial consultants, to deliver superior coverage and customer support, enabling clients to concentrate on the story itself.
